Primary Program - Summer 2020

Dear Parents:

Welcome to the 2020 season of Camp Gan Israel Milwaukee! We are delighted you're joining us, and we hope that you and your children will have a wonderful experience. The counselors and staff at Camp Gan Israel are eager to meet your children. We have many new and exciting programs planned for this year.

CGI is committed to providing a superb day camp experience for Jewish children in the Milwaukee area. We offer outstanding athletic, enrichment, and creative arts programs under the guidance of instructors who are highly qualified in their fields. Family-oriented programs are also a very important aspect of our camp, and we encourage parental participation in these special events.

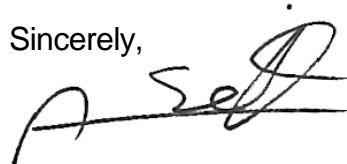

We have the privacy and comfort of a facility that is exclusive to our use. Donges Bay Elementary School offers us access to a wonderful outdoor area with sports field, a fully equipped art room, a gymnasium, a multipurpose room, and outdoor tents for each bunk. For swimming, we will have exclusive use water activities K5-2nd grade and the Homestead High School Pool for 3rd grade and up.

We hope this booklet provides you with all the necessary information regarding camp. If you have any questions, concerns, or suggestions, please feel free to call and discuss them with us any time. Our office number is (414) 228-8372 and my personal cell phone is 414.861.2626.

****Remember – All forms, waivers, and payments for camp must be received by June 28th . If you haven't already taken care of these items, please do so quickly!**

We are looking forward to an exciting summer!

Sincerely,

A handwritten signature in black ink, appearing to read 'A. Schapiro', written over a horizontal line.

SAFETY

The camp is fully licensed as a youth camp by the State of Wisconsin Department of Health. All counselors are trained in CPR and First Aid. We strive to maintain counselor/camper ratios that far exceed those mandated by the State. For children entering K5 and first grade, we apply a 1:5 ratio; for children entering second grade, we apply a 1:6 ratio; and for children entering third grade and above, we use a 1:8 ratio. Certified lifeguards and swim instructors (in addition to counselors) supervise swimming and, when on field trips, contact is maintained with the base camp by means of mobile communication.

In case of a medical emergency, G-d forbid, parents (or guardians) and family doctors (listed on the registration papers) will be contacted immediately.

As an extra safety measure, we would like all of the children in Camp Gan Israel to wear a camp t-shirt each day. T-shirts are available all summer for purchase online at www.cgimilwaukee.com. **Buy early and SAVE!** To better prepare our campers, we are offering a discount on our t-shirts if purchased before by **June 6th**. Sale prices of 3 t-shirts for \$10 and 3 long sleeve shirts for \$16 will be available to purchase online and will be provided to campers during orientation. After June 6th, t-shirts will be 3 for \$12 and long sleeve shirts will be 3 for \$18.

SPECIAL CONDITIONS AND MEDICATION

In order to maximize your child's camp experience and provide proper care, please notify us of any special needs, challenges, or conditions (i.e. social, behavioral). This will allow us to address these needs properly and eliminate unnecessary difficulties. (Please note: this information will be kept confidential.)

The camp has a staff member dedicated to overseeing and administering medication and dealing with health-related concerns. All medication to be administered during camp hours must be clearly marked with camper's name and be provided in its original container. A separate note containing dosage instruction and parent's signature must be sent as well. If you would like to discuss your child's health situation, please call Avremi at the camp office.

SUNSCREEN

It is the responsibility of the parent or guardian to apply sunscreen on your child in the mornings before camp. Please send a bottle of your preferred sunscreen along with your child for reapplication throughout the day. Sunscreen will be reapplied by counselors at noon and after swimming. COMMUNICATION

New This Year! All cell phone numbers submitted during registration will be added into our text message data base. Parents will receive updates, important messages, and reminders on their cell phone. If you do not wish to receive text message updates please e-mail us at cgi@chabadwi.org or reply to the text message with the word STOP.

CGI also invites you to share your feedback, suggestions, or critique regarding any aspect of the camp's program with us. Your input allows us to constantly improve and upgrade our program, and we value it greatly.

The counselors fill out daily progress reports for each camper, and the director meets weekly with each counselor to discuss the status of every child. We will attempt to contact you during the camp season to discuss any areas of concern that you may have. Parents and campers can view photos and updates relating to camp activities on our website at www.cgimilwaukee.com.

To assure your child's safety at all times, parents wishing their child to be released during camp to anyone other than themselves or their designee on file must make prior arrangements with the Camp Director or the Camp Manager.

PROGRAMS

Explorers (children entering **K5 – 2nd** Grade)

Carefully designed as a camp-within-a-camp, this division broadens the children's horizons and at the same time is mindful of their age, emotional needs, etc. Our K5 group allows for the "TLC" under which our youngest campers flourish. This division grows with your child, expanding its programming to fit our 1st and 2nd graders' new interests in "big kid" activities as they join the Trail Blazers in many programs.

Trail Blazers (children entering **3rd – 4th** Grade)

Our second division is fully integrated into the camp program and benefits from our coaches, swim instructors, artists, specialists, and features longer trips and expanded nature programming.

Pioneers (children entering **5th – 7th** Grade)

Campers in this division have the opportunity to participate in our special adventure programming which includes.

PROGRAMMING: AN OVERVIEW

Our goal is to provide a wide array of sports, swimming, arts, and educational programs for our campers. Each week generally Weekly Specialty Programs, Sport-of-the-Week, Art-of-the-Week, Clubs, Team & Leadership Games, and other group activities and instructions.

TRIPS & EXCURSIONS

Due to the nature of the ever changing health climate we currently do not have any field trips planned for this summer. As things change through the summer field trips may be added to the summer schedule.

CHOOSE YOUR OWN ADVENTURE

This year we have revamped our camp choice activities to allow all campers to experience a variety of choices. Each day of the week over the 5 weeks of camp will have a different choice theme.

CLUBS

Campers will have opportunities to choose from a number of simultaneous, counselor-led activities such as the following:

Cake Decorating: The only thing more exciting than using multiple colored frostings and toppings is eating your own creations.

CGI Book of World Records: Campers will test their limits by trying to break world records! How many apples can you bob for in one minute? How many campers can we get to jump rope all at once?

Intense Sports: If you can't get enough of sports, this is the club for you. We'll do some non-traditional games, a handful of your favorites, and a few surprises.

Israeli Dancing: Kids swing into the steps, rhythm, and music of Israeli dancing.

Jewelry Making: Using an array of glass and other colorful beads, we'll make jewelry fit for a queen.

Mini-Chefs: Get ready to mix, measure, and create as Shaindy Schapiro leads our budding chefs on a taste bud voyage and culinary adventure!

Painting: Aspiring Picassos are invited to paint to their heart's content. Display your masterpieces for everyone to admire at the all-camp picnic.

Survivor: Test yourself, wacky CGI style...who thinks they can win the "CGI Survivor Challenge?"

ART PROGRAM

Our art program allows campers to nurture their creative spirit while creating works of art to take home and share with their families. This year we are welcoming Ms. Esti Yanover as our art teacher.

SPORTS PROGRAM

Sport-of-the-Week is a series of sport courses that vary throughout the summer and are given three times during the week. In addition to "Sport-of-the-Week" activities, children participate in outdoor sports several times a week, depending on their age. This year we are welcoming Ms. Hannah Millikovsky as our sports teacher.

NATURE PROGRAMMING

Camp Gan Israel provides superb nature and discovery programs for children of all ages. This adventure-based education program helps children learn to work together to achieve common goals, while allowing individuals to challenge themselves through risk-taking and goal setting.

VALUES & JUDAIC PROGRAMMING

This year's theme will be entitled "Around the Jewish Town" and will focus on the various holidays and special days throughout the year. Children will get to experience many aspects of Jewish life at our virtual town. We will discuss and practice mitzvos that can be done wherever the children go, such as sharing on the playground, honoring the elderly at an old age residence, or welcoming guests into their own homes. Throughout the summer, we will "travel" to various parts of the town, examine what goes on in each area, and try out many of the mitzvos. Some examples of "places" we will visit include the grocery store, the scribe's house, a synagogue, and a school. Learning will be very hands on for our campers and will incorporate activities such as practicing the script for writing a mezuzah and making a shofar. Greater awareness of Jewish life will emerge while having fun in the process.

SWIMMING

K5-2nd: Swimming will take place outdoors and through a variety of water fun activities.

3rd-7th: Swimming will take place indoors at Homestead High School.

Please make sure to send a swimsuit, swim shoes, and towel in a tote or plastic bag with your child every day of camp, unless otherwise noted. Since there are water activities almost every day at CGI, please have all bathing suits and towels marked with permanent ink or labels. **Please note that wet towels and suits should not be left on camp grounds overnight.**

YOUR CHILD'S BELONGINGS

Campers are assigned a cubby in which to keep their belongings during camp. Please send along a smock for arts-and-crafts, an extra change of clothing for water activities, and sunscreen (to remain in camp throughout the summer). In order for campers to be able to participate in all activities, it is crucial that they either wear or have a pair of gym shoes at camp.

Many children share the same size and brand of clothing. Please mark all clothing, swim suits, towels, caps, and accessories that your child may bring to camp with a **permanent laundry marker** to avoid loss. Additionally, please make sure all items are kept in a zip-up backpack or bag.

There is a special Lost & Found for lost articles, and it is reviewed every Friday. Please alert us if your child has lost an item. The camp is not responsible for items lost during camp, but we'll do our best to locate them. We strongly urge you not to send expensive items to camp.

LUNCH

Please send your child with a dairy/parve kosher lunch. *For the health and safety of our campers and staff CGI will not be partnering with an outside lunch service this year and will therefore not be offering lunches at this time.*

Please be informed that we have campers who are fatally allergic to peanuts and ALL tree nuts.

In consideration of the seriousness of this allergy, we are asking that parents refrain from sending any peanut or nut products to camp. We realize that this may be a great inconvenience to you but given the ramifications of an error made we are certain that you will understand the need for this requirement. If your child has difficulty with this type of menu choice, please contact us and we will do our best to resolve this problem.

TRANSPORTATION

Camp Gan Israel pick up and drop off will take place at the circle drive off of Donges Bay Rd. (on the school's north side).

When picking up or dropping off a child(ren), please wait outside in your car and a teacher/staff person will assist you. Please note that you may be asked to stagger your arrival/departure times; the program will work this out with you ahead of time. We also ask that you practice "social distancing" (6 feet) at all times.

The drop-off area at camp will be supervised beginning at 8:50 until 9:00AM, and pickup from 2:45 until 3:00PM.

COVID-19 POLICIES

In order to comply with state mandated ratios, and for the health and safety of our staff and campers, we have made some adjustments to camp this summer:

- All campers' parents/guardians must take Covid-19 screening 24 hours before the start of camp and the results of said test must be negative.
- In the event of an outbreak affecting CGI, CGI will follow directions as needed from the CDC — as well as state and local agencies — and may have to comply with camp closure on short notice.
- All campers and staff will have their temperature taken every morning. If a child's temperature is over 100 degrees they will not be allowed into camp until they are fever free for 24 hours.
- If a camper becomes ill while at camp they will be placed away from other campers and staff and must be picked up within one hour of the program contacting the parents.
- Drinking fountains are not recommended at this time. Campers are encouraged to bring their own water bottles labeled with their name from home

FREQUENTLY ASKED QUESTIONS

How does my camper find lost items?

Please mark all belongings with your camper's name and bunk. This is very important since shirts are identical and individual items are difficult to identify without a label. Lost & Found items are available each day in the office. Please contact us in writing, by phone, or by e-mail regarding specific items.

How do I arrange to pick up my camper during the camp day?

If you have to pick up your camper during the day, please notify our camp director at 414.861.426 or our office at 414.228.8372. Once we are aware of your arrival time, we can arrange to have your camper ready for you. We cannot release campers without parental permission.

When can I visit my camper?

Camp Gan Israel is open for parental visits every camp day. We suggest that you schedule your visit carefully as your camper may be involved in a field trip or other off-campus activity. All visitors will be directed to the camp office for visitor registration and assistance.

What if my child does not want to participate in a particular activity?

No camper is forced to participate in any activity. However, we do urge campers to try all activities and take advantage of the complete program offered at camp Gan Israel. We appreciate parental input and feedback on this matter.

What does my camper need each day?

Campers should have a change of clothing, art smock, water bottle, sunscreen and gym shoes at the camp at all times. A bathing suit and towel should be sent every day. We supply all sports and safety equipment such as tennis racquets, mouth guards, shin guards, etc. Counselors will apply sunscreen upon request.

Can my camper bring precious items to camp?

Campers should **not** bring jewelry, radios, iPods, expensive toys, cellphones, or any valuables to camp. Camp Gan Israel supplies everything campers may need.

How can I speak with my child's counselor?

A call to the camp office will answer most questions. Since counselors are constantly supervising groups and activities, messages will be taken at the camp office. Please leave your name and evening phone number, and the counselor will return your call as soon as possible.
